Monthly Meetings

Monthly Meetings are held on the second Wednesday of each month at 7:00 pm at the Lester Prairie City Hall. **Note:** February, August & November will be held the 2nd Thursday at LP City Hall. **Note:** March Annual meeting will be held at the **Bergen Town Hall.**

To request an item be added to the meeting agenda, please contact Tiffany Eggert, Town Clerk, at (320) 204-2280 or by emailing: clerk@bergentownship.com by the 1st of each month.

The Bergen Town Hall is the official posting place of Bergen Township. Any notices or special township meetings are posted on the Town Hall bulletin board at least 3 days in advance.

Levy Information - Fire

Plato, Lester Prairie and Glencoe will present upcoming purchases that will affect future levies at the March Annual Meeting.

Fire Permits

Fire Permits can be obtained at any township meeting or by calling Town *Supervisors*. See reverse side for phone numbers.

Election Year

The first election will be the Presidential Primary Nomination on March 3rd at the Lester Pr. Sportsman's Club.

Bergen Township's Annual Meeting

Tuesday
March 10th, 2020
Time: 7:00 pm

Bergen Township Hall
16595 Babcock Avenue

All Minnesota townships have an annual meeting the 2nd Tuesday in March.

The primary purpose of the meeting is for eligible voters to determine the levy for the following fiscal year (2021).

The township board will present the 2019 financial review and recommend a levy for 2021. **It's important that all eligible township voters attend the Annual Meeting and vote (your vote counts) on the levy, which will determine YOUR township taxes.**

The Annual Meeting is also an opportunity to learn more about what is taking place in your township and to get an update on current projects.

Road Reminders

It is against the law to deposit snow in any fashion across a public roadway. The placement of snow on roadway can cause unsafe conditions and damage snowplowing equipment. Snow should also be cleared away from mailboxes so they can easily be seen by the snow plow driver.

No field planting should take place within the Road Right of Way (ROW) when preparing fields this spring. After a notification is sent to landowners with planting in the ROW, the town board has the right to cut off any planting in road right of ways.

ROW also needs to be kept clean of rocks, brush, trees, and other debris so mowing can take place.

DUST CONTROL: If landowners have their road treated with dust control solutions & do not want the road graded in front of their property, please contact the Town Board prior to application (see Resolution on website).
